Brian Hansen joins LogPoint as Vice President of Customer Success

COPENHAGEN – March 4, 2020 – [LogPoint](#), the Modern SIEM, and UEBA company are announcing the appointment of Brian Hansen as Vice President of Customer Success. Reporting to LogPoint CEO Jesper Zerlang, in this new position Brian will work to enhance the customer experience, extend customer use of the LogPoint SIEM solution, and improve our partner enablement.

“With a 2019 Gartner Peer Insights Customers Choice Award, a #1 position in the 2019 SoftwareReviews SIEM Data Quadrant, and a 96% customer satisfaction rating, one could argue that we will be perfecting perfection, but

we want to take Customer Success even further”, says LogPoint CEO Jesper Zerlang.

“Expanding and strengthening relations with our customers and partners is a key element in our ambition in creating the best SIEM experience in the world ”, says Zerlang.

Brian Hansen has more than 25 years of experience in the IT industry in various management positions within Sales and Professional Services. Most recently as EVP North America and Global Professional services in the Identity Management and Access Governance company Omada. Previously he has held positions in companies such as Netcompany and Platon (acquired by Deloitte).

“The LogPoint SIEM and UEBA technology have immense potential, not only within Cybersecurity but also in domains such as IT operations, compliance and Business Analytics. We want LogPoint customers to experience the best time-to-value in the SIEM market, and we also want to help them achieve business advantage utilizing the full potential of the LogPoint solution”, says Brian Hansen.

In his position, Brian Hansen will also assume leadership of the LogPoint A-team, our technical experts that work across LogPoint global regions with pre- and post-sales support.

[LogPoint Modern SIEM](#) and [UEBA](#) solutions provide the analytics and automation tools that enable customers to securely build, manage and effectively transform their businesses.
