Logpoint named a Niche Player in the 2024 Gartner® Magic Quadrant™ for Security Information and Event Management

COPENHAGEN, May 23, 2024 – [Logpoint](#) has been named a Niche Player in the 2024 Magic Quadrant for Security Information and Event Management (SIEM) by Gartner, the independent industry analyst firm. Logpoint has been recognized in every Magic Quadrant for SIEM since 2018.

Logpoint offers a Converged SIEM solution that comes with native Security Orchestration, Automation & Response (SOAR). The solution offers Threat Detection, Investigation & Response (TDIR) and compliance use cases,

helping organizations increase cybersecurity and reduce cyber risk either directly or through MSSPs.

“We’re incredibly honored to be recognized in the Gartner Magic Quadrant once again. We believe this latest recognition is a testament to our continued efforts to provide industry-leading SIEM with automation capabilities and great user-experience to the mid-market at predictable pricing,” says Sean Muirhead, Logpoint CPO. “We’re also really proud to be recognized in this Gartner report as a European company, which is on the trajectory to become a European Cybersecurity Powerhouse.”

Logpoint is a European cybersecurity and compliance technology vendor, focused on democratizing threat detection and incident response capabilities to the mid-market. It offers a node-based pricing model to ensure transparent and predictable costs for organizations and MSSPs looking to combat cyber threats and minimize associated risks.

About Gartner Magic Quadrant

A Gartner Magic Quadrant is a culmination of research in a specific market, giving you a wide-angle view of the relative positions of the market’s competitors.

By applying a graphical treatment and a uniform set of evaluation criteria, a Magic Quadrant helps you quickly ascertain how well technology providers are executing their stated visions and how well they are performing against Gartner’s market view.
